

How to find your school on A Better Africa

1. On the landing page, select 'places of learning'.

HOW TO FIND AND CLAIM YOUR SCHOOL TODAY.

1

How can I find my school?
Click on the 'Places of learning' on the landing page of A Better Africa.

2

On this page you will see on Search Bar on the right.
You are encouraged to test the name of the school in a few formats.

3

I found my school, now what?
Become a member on the Members page or Follow the School. When you become a member, you can contact our team via 'Contact' to be made the manager of the school - if you're the school's representative.

4

I cannot find my school. What now?

You can search for your school here. If you don't find your school, simply add your school or let our team assist you by sending through a note via [contact](#).

Swartruggens North West

3. The system will give you options, click on your school name.

4. Your school profile will have a landing page like the one on the picture above.

5. So you've found your school profile and you're the principal of the school. It's important that you become the 'owner' of your school profile.

Go back to the landing page of the platform, a-better-africa, scroll down and select 'contact'.
