# OUR VISIT TO DIBUKA

**Thank you to the association 'Jobourg Accueil' and to 'La Librairie Solidaire' for making this dream come true.**

Thanks to their donation, we were able to take 25 children from less privileged Francophone communities in Yeoville (Johannesburg) to a fun day out!

We started with a sunny picnic at the park Zoo Lake and then had a full afternoon of educational & fun activities at Dibuka (French Library at the Alliance Française of Johannesburg).

Thank you to the French Institute of South Africa for helping us to organise this beautiful day. We are very grateful to the French Embassy of South Africa, Lesotho and Malawi for supporting us in our projects and to the Alliance Française of Johannesburg for letting us visit their beautiful place.

**The smiles on the children faces summarise this beautiful day very well !**

They all went back home with a book they borrowed - and are very much looking forward to the next trip for more books to read !

## OUR CURRENT PROGRAMMES

Our 4th edition has started very well and we are very busy running workshops with all the categories (Junior, Senior, Francophone & Non Francophone). We go to schools, to different institutions and also run workshops online. So much fun ! It's an amazing experience to see all students progressing day by day.

*Our workshop at Safe Study in Victoria Yards (one of our programmes with less privileged Francophone communities)*

*Online workshops with the students of the Lycée Français du Cap (Junior Francophone category)*

*Online workshop with some students in Malawi and South Africa (Senior Non-Francophone category)*
