

Draw the Directions

Below is a picture frame. You are to draw a picture in it by following the directions beneath the frame.

1. Draw a house in the center of this frame. Color it red.
2. Draw a tree next to the house. Color it green.
3. Draw a chimney on the house. Draw smoke coming out of it.
4. Draw a stream across the bottom of the frame. Color it blue.
5. Draw three fish in the stream. Color them yellow.
6. Draw a blue bird in the tree.
7. Draw a sun over the left side of the house. Color it yellow.
