

Advertisement Guidelines

Directions: Create an advertisement for your fidget spinner.

Include the following in your advertisement:

- Product and company name
- Product description
- Price
- Photo or illustration
- Product information (from the data you collected on size, weight and performance)
- Product reviews (We will gather these after your advertisements are finished.)

Name Date

Project Reflection

Directions: Read the reviews of your fidget spinner. Work with your group to answer these questions.

1. Was your fidget spinner a success?

.....
.....

2. Did your customers enjoy playing with it?

.....
.....

3. What did your customers like best about your spinner?

.....
.....

4. What would you change to improve the design of your fidget spinner?

.....
.....

5. What other materials could you use to make a fidget spinner?

.....
.....

Milestone #5 Inquiry Question

Directions: Use what you learned during this unit to answer the question.

If you were going to create another invention, what steps would you take? Explain why each step is important.
